

Dear all,

I am glad to inform you that Asia-Pacific Journal of Oncology Nursing has been promoted to SCIE/SSCI as a result of Clarivate's impact evaluation process. APJON will receive an IF and appear in the 2020 JCR Report which will be released Summer 2021.

APJON will be indexed in the following associated categories:

*Science Citation Index Expanded (Nursing)*

*Social Sciences Citation Index (Nursing)*

*Current Contents/Social & Behavioral Sciences (Public Health & Health Care Science)*

*Current Contents/Clinical Medicine (Nursing)*

Thanks for your constant support to APJON. Look forward to your next papers!

Best wishes,

Dr Winnie KW SO, PhD, RN
